

MiTribe Blueprint

How to successfully start a Tribe in your area

- 1** Find 2-3 people to come together and pray for the Holy Spirit to expand your Tribe.
- 2** Compile a list of potential youth in your area you can reach out to and invite to your tribe.
- 3** Select a consistent space to meet on a weekly basis. If you don't own a place, ask people to partner with you to host.
- 4** Create a shared calendar and way of communicating so everyone can be aware of what is happening and when.

What happens at the meeting?

Eat Together - You want plenty of time for your Tribe to connect socially and learn more about each other.

Shared Prayer Time - Keep a journal to track the progress of your prayers and see how God is working weekly.

Bible Study - Pick a book of the Bible or spiritual book that everyone has access to. Assign readings away from the meeting so you can discuss them when you come back.

LAST BUT NOT LEAST - Join the Mi Tribe movement! We're stronger together. To register your group or ask more questions, please contact Pastor Chad at 517-927-9115 or email: cbernard@misda.org
